ABOUT LCC INFOTECH

LCC INFOTECH LTD. is providing service in skill development and training programmes for more than 30 years since 1984. It is an ISO 9001:2008 certified Public Limited Company having its headquarters at Kolkata. LCC is a veteran in multi sector domain training and had gathered a rich experience in information technology sector & Vocational training with expertise in Software Application, programming and development, in venture with Central & State governments on various government projects on Skill Development. We have a wide network of over 500 centers Pan India and had launched 27,00,000 successful careers since our inception. Government has taken an aggressive approach for skill training in the country and LCC has become an integral part of this initiative. Presently we are actively working with different ministries of Central Government for executing skill development programs.

Now we are stepping in the competitive examination sector for the service of students to crack the various competitive exams under the supervision of scholar and most experienced faculty group. Our main object is to provide extensive support to the students but within affordable budget.

FROM THE DESK OF CEO

A lot has changed ever since and we as a company have learnt, grown and evolved with time, while maintaining our commitment.

Towards quality education and training. With the evolvement of skill training from being an add-on tool to becoming a key-determining factor for employment and growth, our courses and training methodology has also undergone major changes keeping this in mind.

We at LCC strive to pass on the same commitment towards excellence to our students, as well as business partners. This value system and change in perception becomes a lifelong asset for them. Every students who joins LCC, becomes a part of our every growing family of over 27 lakh students and our success comes from seeing them succeed and achieving theirs dreams.

I personally would like to welcome you to our LCC Family and my team and I commit to make tomorrow a better tomorrow for you.
